SUBJECT: Request for review of a proposed study programme

Dear doc. Sukljan,

The University of Split Arts Academy has developed a proposal for the postgraduate study programme *Music teory*. In the process of accepting the proposal of the new study programme it is necessary to review the proposed programme by eminent experts in the field of economics. In connection with the above mentioned, I am sending you a request to create a review of the study programme according to the attached form „ANALYSIS OF THE PROPOSED STUDY PROGRAMME“.

We hope that you will be able to comply with our request.

Kindest regards,

**President of the Commission for study
programmes at the University of Split**

professor Goran Kardum, PhD
