Prof. Juan Carlos Garcia Galindo
University of Cadiz

SUBJECT: Request for review of a proposed study programme

Dear prof. Juan Carlos Garcia Galindo,

Faculty of Chemistry and Technology University of Split has developed a proposal for the new postgraduate university (doctoral) study programme *Chemistry and Chemical Engineering*. In the process of accepting the proposal of the new study programme it is necessary to review the proposed programme by eminent experts in the field of economics. In connection with the above mentioned, I am sending you a request to create a review of the study programme according to the attached form „ANALYSIS OF THE PROPOSED STUDY PROGRAMME“. We hope that you will be able to comply with our request.

Kindest regards,

**President of the Commission for study
programmes at the University of Split**

professor Nikola Koceić-Bilan, PhD
