

International week - Factsheet

Important note:

Staff should apply directly to the hosting institution before applying for an Erasmus+ Mobility grant at their home university. Once accepted, they should apply for the Erasmus+ grant via their home university according to their internal procedure.

General information

International week Title	International Days – IUT (university technology institute) Quimper
Coordinating institution	University of Brest (UBO) <i>NB: International Week hosted in Quimper, situated 75km away from Brest</i>
Study field (ISCED)	041 - Business Administration (including management and HR -0413) 0414 - Marketing Logistics and transport 0721 - Biology and food industry
Abstract: <i>(few lines describing the International week that SEA-EU partners can use for dissemination)</i>	The Quimper University Institute of Technology is organising its International days. During these 3 days, our first year bachelor students will have no regular classes but they will be requested to attend some lectures given by our foreign guest lecturers (attendance will be compulsory). The week will be the opportunity for academics to foster collaboration with fellow teachers working on the same disciplines and fields of research, as well as experience teaching to students from Quimper.
Calendar	<ul style="list-style-type: none"> ● 15/01/2025: Application deadline ● 08-10/04/2026: Physical mobility
